When this relentless rogue FBI agent comes knocking, her adversaries will have to answerâ€”with their livesâ€”in the latest thrilling Jane Hawk novel by the #1 New York Times bestselling author of *The Silent Corner*. Weâ€™re rewriting the play, and the play is this country, the world, the future. We break Janeâ€™s heart, weâ€™ll also break her will. She was one of the FBIâ€™s top agents until she became the nationâ€™s most-wanted fugitive. Now Jane Hawk may be all that stands between a free nation and its enslavement by a powerful secret societyâ€™s terrifying mind-control technology. She couldnâ€™t save her husband, or the others whose lives have been destroyed, but equipped with superior tactical and survival skillsâ€”and the fury born of a broken heart and a hunger for justiceâ€”Jane has struck major blows against the insidious cabal. But Janeâ€™s enemies are about to hit back hard. If their best operatives canâ€™t outrun her, they mean to bring her running to them, using her five-year-old son as bait. Jane knows thereâ€™s no underestimating their capabilities, but she must battle her way back across the country to the remote shelter where her boy is safely hidden . . . for now. As she moves resolutely forward, new threats begin to emerge: a growing number of brain-altered victims driven hopelessly, violently insane. With the madness spreading like a virus, the war between Jane and her enemies will become a fight for all their livesâ€”against the lethal terror unleashed from behind the forbidden door.
