One young woman.

Seven brothers.

When orphan Sakura once again meets her gorgeous adopted brothers, forbidden feelings are awakened and old flame ignites.

Orphan Sakura, with no last name, is accustomed to being rejected, hated, bullied, and unloved. When she is adopted by the wealthy Princeton family, her seven brothers refuse to accept her, and her two sisters constantly bully her. Instead of admitting defeat, she gladly takes on her new life with a brave face, working hard to earn her new siblings's trust and love. Her endeavor, however, ultimately leads to a series of unfortunate incidents.

Â

Now years later, the twenty-three-year-old beauty dreads the moment she once again has to meet the drop-dead gorgeous brothers, due to arrive for their cousin's wedding. Dodging their very presence is next to impossible since the brothers, who have forgotten who she is entirely, are attracted to her like moths to a flame and thwart her escapes at every turn. This, of course, leads to ungodly, tempting situations, awakens forbidden feelings, and ignites old flames that have been suppressed and laid dormant for many years. When she finds them competing for her's NOT for her sisterly affection, which she still deeply craves, but for her love as a woman's she is torn between Sebastian Princeton, the brother who loves her and watches over her from a distance, and Darcy Princeton, the brother who was once her best friend and now secretly yearns for her forgiveness and her love once again.
